

The Omicron vaporizer is the world's first and only non-flame powered portable extract vaporizer. The only one to use pure extract oils with no need for carrier agents or cotton in the cartridge. The only one that allows you to load the cartridges with your own extract oils.

Omicron, the future of vaporization has arrived.

## OMICRON CARTRIDGE FILLING INSTRUCTIONS

- Prerequisites:
- Select a level, flat and smooth heat resistant surface to work on i.e. granite kitchen / bathroom counter
  - Jet flame lighter recommended, regular lighter will also work
  - Omicron cartridge Fill Tool

- 1.** Stand cartridge up with threaded end down on your flat work surface.

- 2.** Place Fill Tool onto the top of the cartridge. Air hole will be covered by the deflector built into the Fill Tool.

- 3.** If your extract is in a vial, place the vial into the Fill Tool upside down and with the cap off (3a). If your extract is not in a vial, just load it directly into the Fill Tool (3b).

**3a.**

**3b.**

## OMICRON CARTRIDGE FILLING INSTRUCTIONS

- 4.** Grasp cartridge and gently start to apply heat with your torch lighter on a low setting. Beginning at the bottom of the Fill Tool, heat no longer than 2 seconds in one area and keep the lighter moving upwards heating the Fill Tool (4a1,2 and 4b1,2) and then the vial (4a2) only. If the cartridge gets too hot to hold, you are applying too much heat.  
**DO NOT** overheat the cartridge!

**4a1.**

**4b1.**

**4a2.**

**4b2.**

## OMICRON CARTRIDGE FILLING INSTRUCTIONS

- 5.** Once the extract begins to flow into the cartridge, move your lighter back down to heat the Fill Tool until all of your extract is in the cartridge. Let the Fill Tool and vial cool down for 2 minutes before touching them!!! **DO NOT** overheat the cartridge!

**5a1.**

**5b1.**

**5a2.**

**5b2.**

## OMICRON CARTRIDGE FILLING INSTRUCTIONS

- 6.** Once cool, remove the vial (6a) and then the Fill Tool. The cartridge is now ready for use.

**6a.**

**6b.**

- 7.** If you are going to store the cartridge then place the white cap on the end.

Place white cap on  
for storage, or  
leave off for instant  
use.
